

GAY “MARRIAGE” Why Now?

Throughout America and in Europe, gay marriage is the hot topic. Notes Pastor Charles in his book *Sodomites on Trial*, “Homosexual conduct, before it had become openly practiced in modern times, was a subject that was never discussed and talked about. Homosexuality was perhaps the most taboo subject of all - so unmentionable that many Americans lived and died without ever hearing about it. (Mary Cable, *American Manners and Morals* - 1969 - pg. 235) In fact, it was not until the 1920’s that the terms “homosexual” or “lesbian” became fairly common in American literature.

“The reason for this openness and spread of homosexual conduct has been a subversive movement, which has worked in the defense and promotion of the homosexual “lifestyle”. One of the legal battering rams of this subversive movement is the American Law Institute, which since its inception in 1923, has fallen into the control of the Jewish movement.

“Until the 1960’s, homosexual behavior was prohibited in all fifty states and the District of Columbia through some form of sodomy statute. Then in 1961, Illinois became the first state to adopt the American Law Institute’s “Model Penal Code” Provision that decriminalized adult, consensual, private, sexual conduct. In supporting its position, the American Law Institute (ALI) noted that other nations such as France, Great Britain, Canada, Mexico, and Sweden had repealed their sodomy laws. The ALI also cited “scientific studies” that found homosexual conduct to be neither “unnatural” nor socially harmful.

“At the same time, many Jewish organizations began to openly promote the “gay rights movement.” Organizations such as the “Gay Liberation Front” (GLF) and the “Students for a Democratic Society,” were started or heavily populated with Jews such as Michael Brown, Bill Katzenberg, Susan Silverman, Paul Goodman and others. ‘The prototypical political reformer of GLF was Marty Robinson - the son of a Jewish doctor.’ (Toby Marotta - *The Politics of Homosexuality* - 1981, Pg. 95) When the “Gay Activists Alliance” was formed in 1969, a lobbyist organization to ‘convince council members that it was moral to vote for gay rights legislation,’ they proceeded to ‘enlist the support of Jewish leaders’ to aid in this cause. Much of this ‘gay rights; movement’ was prompted by a book written by Donald Cory in 1951, titled, *The Homosexual in America*, with a new and innovative topic - ‘applying civil rights ideas to the case of homosexuals.’ The Jewish publishing house of ‘Greenberg, the only house Cory could find that was willing to handle such controversial material’ published it.

“Using this new movement as an emotionally motivated activist and lobbyist group, the ALI proposal gained support in the 1970’s causing legislators in twenty additional states to decriminalize homosexual conduct. The American Civil Liberties Union, a group largely composed of Jewish leadership, has joined the fight by recruiting lawyers across the country to fight on behalf of homosexual and lesbian sex.

“Jewish sociologists and psychologists since Sigmund Freud have diligently tried to justify homosexual conduct, to interpret the law and modify social thinking in favor of the “lifestyle”. Thus we have the Jew Dr. George Weinberg asserting, ‘The real psychological crisis in our culture remains male homophobia.’ (John McNeill, *The Church and the Homosexual* - 1976 - pg. 86)”

Once the idea of non-discrimination laws for homosexuals took hold, it was only a short time before the movement would make their big push to become a totally accepted segment of society. Their vehicle is marriage. The badge of marriage, they believe, will put them into the category of civilized society.

Many who support these so-called rights of homosexuals including the right to marry and be parents, may say they personally find the practice to be morally wrong, but in a democratic society if two men or two women want to tie the knot, they won’t stand in the way. These people should be made aware of just how destructive homosexuality is to society. A good source of information is the National Association for Research and Therapy of Homosexuality - www.narth.com - This association retains its position of political neutrality, but offers an enormous amount of scientific educational material regarding homosexuality and lesbianism including the correct analysis of numerous studies often distorted by the media as supposed proof that homosexuality is biological and inborn. It is not.

Some of their findings include:

- Homosexuality is probably the most misunderstood “*sexual disorder*.”
- “*Social-activist groups...have portrayed sexual deviancy as an normal way of life.*”
- “*There is no such thing as a homosexual person. We are all heterosexuals. Homosexuality is a description of a condition. It is not a description of the intrinsic nature of the person.*”
- Homosexuality “*works against society’s essential male-female design and family unit.*”
- Homosexuality is caused by incompetent parenting an/or child sexual abuse:

“The development of the male homosexual is basically someone who did not develop that strong sense of masculine identity and he is trying to fulfill that sense of masculine deficit by connecting with a man. But the only way he knows how to do it is sexually. What feels right and natural is the sex drive that is being displaced onto a person of the same sex for emotional needs.”

- Homosexuality is preventable in childhood and treatable in adulthood.
- Homosexuality is often caused by early sexual abuse.

The fact however, is that while it is possible for most homosexuals and lesbians to change their behavior, it is deemed by the Holy Bible as so serious a departure from nature and so severely detrimental to society that it is listed along with murder and rape as a capitol offense punishable by death after one has been duly convicted in a court of law. “*If a man also lie with a man as he lies with a woman, both of them have committed an abomination; they shall surely be put to death; their blood shall be upon them.*” Leviticus 20:13) Indeed such was once the penalty for homosexuality in all Christian lands. Homosexuality, pedophilia, rape and murder are considered so serious of a crime, that nowhere in the Bible are we taught to try to repair these behaviors. The existence of these persons in society is too harmful. God will deal with the repair of their soul in the after life. It is not left to us here and now, their immorality and negative influence must be removed in order to protect the family - the basic and most important unit of any nation.

What happened you may ask? The answer is simple. America is no longer governed as a Christian nation. And America is no longer governed as a Christian nation because it has come under Jewish humanist teachings.

In countless churches across former Christian nations, the people have been led astray. No longer is their foundation referred to as being Christian, but rather Judeo-Christian. The perversion that permeates the Jewish religion is the oral law spoken of so vehemently by St. Paul and codified into the Jewish holy book *The Talmud* (full name is *Babylonian Talmud*) also referred to by Jesus as the *Traditions of the Elders*. The *Talmud* is filled with page after page of Jewish legal law regarding sexuality and discussions of lewd sexual practices including:

- “When a grown up man has intercourse with a little girl it is nothing, for when the girl is less than this - that is, less than three years old - it is as if one puts the finger into the eye - tears come to the eye again and again, so does virginity come back to the little girl under three years.” Talmud book of Rehbosoth - Chapter Mishnah Page 11
- At nine years a male attains sexual maturity. There is no guilt incurred by pedestary (pedophilia) with a child below nine years. Nine years and a day is the minimum age of the passive partner for the adult to be liable. (Talmud - Book of Sanhedrin page 54b)

Regarding the Kol Nidre - a Jewish custom recited prior to the evening service of the Day of Atonement at the beginning of the year. *“And he who desires that none of his vows made during the year shall be valid, let him stand at the beginning of the year and declare. ‘Every vow which I may make in the future shall be null’* Talmud book of Nedarim - pg. 23b (Note: the devastating effect this one practice has had in our legal system.)

Louis Finkelstein, professor of theology of the Jewish Theological Seminary of America writes in 1946 and his papers published by Jewish Publication Society of America, “Pharisaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name, inevitable adaptation of custom, and adjustment of Law, the spirit of the ancient Pharisee survives unaltered. When the Jew reads his prayers, he is reciting formulae prepared by pre-Maccabean scholars; when he dons the cloak prescribed for the Day of Atonement, he is wearing the festival garment of ancient Jerusalem; when he studies the Talmud, he is actually repeating the arguments used in the Palestinian academes. From Palestine to Babylonia; from Babylonia to North Africa, Italy, Spain, France, and Germany; from these to Poland, Russia, and Eastern Europe generally, (note the rise of homosexuality in the 20’s with the hundreds of thousands of Eastern European Jews immigrating to New York City and spreading throughout the U.S. where they funneled millions back to Russia to finance the Communist revolution - Elizabeth Dilling - The Plot Against Christianity) ancient Pharisaism has wandered.

The Catholic Popes of old and the founders of Protestantism including Martin Luther warned against the depraved thinking of the Jews and their subsequent effect on the morals of society. Christian founders of America warned against the Jewish influence including the undermining of the family, education, and banking. And Christian ministers until recent years warned their congregations.

Why does it seem like “Christian” ministers and Jewish Rabbis are teaching the same message? The following quote is very telling. *“I am devoting my lecture in this seminar to a discussion of the possibility that we are now entering a Jewish century. A time when the spirit of the community- the non-ideological blend of the emotional and irrational and the resistance to categories and forms will emerge to the forces of anti-nationalism to provide us with a new kind of society. I call this process the Judiazation of Christianity. Because (Ed. False) Christianity will be the vehicle through which this society becomes Jewish.”* Rabbi Martin Segal, New York magazine Jan. 18, 1972

In fact, this Jewish resistance to categories is seen in the state of Massachusetts, which is just a small example of the world wide Jewish attack on Western Christian civilization.

The Jewish Community Relations Council has a powerful voice and represents the largest segment of the Jewish community in the state. Its support for same-sex unions sends a strong message to the legislature.

Excerpts from a Boston Globe article are telling. “ ‘The Jewish Community Relations Council of Greater Boston urges our elected officials to enact legislation providing for same-sex marriage, in accordance with the recent ruling of the Supreme Judicial Court in the Goodridge case’ The Council said it also ‘opposes any effort to amend the state Constitution to bar same-sex couples from marrying, or to deny legal benefits to same-sex couples and their families.’ Jews have supported gay rights for a number of years, and permits gay and lesbian rabbis and allows temples to perform blessing ceremonies for same-sex couples. Some temples even conduct weddings, although they are not recognized by the state.

“Earlier this week the Union for Reform Judaism, the largest Jewish denomination in the country, and the Northeast region of the Central Conference of American Rabbis, the association of Reform rabbis voted unanimously to support same-sex marriage.

‘This is hugely important, and it reflects the broad base of support for civil marriage within the Jewish community,’ said Rabbi Devon A. Lerner, coalition cochairman. ‘It has been difficult for us to counter the large voice of the Catholic Church, but our supporters represent thousands of people, and we believe there’s a very large constituency of people of faith who are in support of civil marriage,’ Lerner told the Boston Globe.

“The Religious Coalition for the Freedom to Marry is supported by 500 clergy and congregations from a variety of religious denominations who endorse gay marriage. Among the most prominent supporters are the Unitarian Universalist Association and the president of the Massachusetts conference of the United Church of Christ.” (Churches that have covered to the Jewish controlled United Council of Churches)

The move to legitimize homosexuality as well as other forms of sexual degeneracy (*pedophilia is increasingly being viewed by members of the American Psychiatric Association as only a problem if it causes severe physical harm to the child or feelings of guilt in the offender - never mind that adult sexual dysfunction is most often the result of this abhorrent practice*) has at its root the Jewish community - though some individual Jews may oppose such. The mental make up through thousands of years of Pharisaism of the average Jew is at odds with Christianity and the teachings of the noble prophets of both the Old and New Testaments of the Holy Bible.

Our nation is under siege from this enemy of Christianity, because the religious leaders of our once great Christian nations have feared to be labeled anti-Jew and have tolerated the false recent assumption that America is a nation for all religions, when in fact America is a nation formed for Christians and by Christians.

“Without morals a republic cannot subsist any length of time; they therefore who are decrying the Christian religion, whose morality is so sublime and pure...are undermining the solid foundation of morals, the best security for the duration of free governments.” Charles Carroll, signer of the Declaration of Independence.

Should we desire not to go down the destitute road that ancient Rome once went and those cities of Sodom and Gomorrah and fall in ruin, we must throw off the yoke of organized Jewry and reclaim our white Christian heritage
